Harmonized Commodity Codes

A guide for **Perceptor IoT** products

Introduction

Commodity codes are internationally recognised reference numbers. A code describes a specific product when importing or exporting goods.

This guide will be updated as more codes are identified/made available by suppliers.

	Harmonized Commodity Code	Country of origin
Systems		
Perceptor IoT hardware kit for Zebra ZT620 printer	8471 8000 00	UK
Perceptor IoT hardware kit for Zebra ZT610 printer	8471 8000 00	UK
Perceptor IoT Device processing unit	8528 5900 30	UK
Accessories		
Rewinder Plate	8443 9990 00	UK
Peel and Present sensor	8443 9990 00	UK
Indicator light	9505 4099 00	US
Calibration card	8443 9990 00	US
Consumables		
DURO Ribbons	96121010	UK
Spare parts		
Camera assembly	8548 0090 43	UK
Camera processing unit	8549 3900 00	UK
USB power supply	8536 6990 84	China
Encoder assembly	8543 7090 90	S Korea
